

# the 80c project

## how it works

### 1 Sign up using our secured online portal

When you sign up to the 80 cent project, you're covered by the 256 bit encryption of the GivingFuel platform (that's military grade!)

Simply nominate a debit or credit card for your donation and we'll do the rest!

### 3 Carry on being a superhero and receive regular updates

Don't worry, we spend ages deleting emails too, so we promise not to spam you! We'll only email you when we have important news to share about how your donation is helping, if we're having a cool event and of course to send you your important year-end tax invoice!

### 2 We'll deduct your payment monthly, and send you receipts (as well as a welcome pack!)

Each month, we'll deduct your nominated card with the agreed amount, and you'll receive a receipt. You can update your billing preferences whenever you like, and you can also change or cancel your monthly donation amount at any time! There are no locked-in contracts or anything like that!

When you sign up, we'll send you a goodie bag with a few things to help you get settled into your new role as a Rosie's Place superhero!
